Date of Birth: 23rd April 2001

PROFILE

A motivated and adaptable graduate of Electrical and Electronics Engineering (Second Class Upper) from the University of Lagos, with an Advanced Diploma in Software Engineering. Skilled in technical operations, documentation, teamwork, and problem-solving. Experienced in engineering internships where safety awareness, attention to detail, and collaboration were key. Eager to contribute to engineering, logistics, or records management roles while gaining international experience in the energy sector.

KEY SKILLS

- Microsoft Office Suite (Word, Excel, PowerPoint)
- Technical Documentation & Record-Keeping
- Engineering Tools: AutoCAD, Revit
- Programming: Python, C, C++, Java, HTML, CSS, JavaScript
- Web Design & Content Development
- Safety Awareness & Compliance
- Problem-Solving and Critical Thinking
- General Programming and Algorithms
- Strong Communication and Team Collaboration

PROFESSIONAL EXPERIENCE

- Kresta Laurel Limited – Lagos, Nigeria
 - Engineering Intern (Jan 2023 – Jun 2023; Oct 2024 – May 2026)
 - Supported senior engineers in the installation and maintenance of elevators.
 - Gained hands-on experience identifying mechanical and electrical components.
 - Assisted the maintenance team with diagnosing and resolving technical issues.
 - Collaborated with interns and engineers to ensure safety and efficiency in operations.
- Kenning Homes – Lagos, Nigeria
 - Engineering Intern (Oct 2021 - Nov 2021)

- Developed building design concepts using AutoCAD and Revit.
- Assisted in completing technical tasks in collaboration with peers.
- Built problem-solving and teamwork skills in a real-world engineering environment.

EDUCATION

Bachelor of Science (B.Sc.) Electrical and Electronics Engineering – University of Lagos (2018–2024)

Advanced Diploma in Software Engineering – Aptech Computer Education, Lagos (2021–2024)

Secondary Education (JSSCE, SSCE, NECO, GCE) – Methodist High School, Lagos (2011–2017)

First School Leaving Certificate – Prudence Private School, Lagos (2008–2011)

CERTIFICATIONS

- Crash Course in Data Science – Coursera (2020)
- Certificate in Web Design – Nova Diamond Foundation (2024)

PUBLICATIONS

- Transient Stability in an RES Dominated Power Grid– IOSR Journals (2026)

LEADERSHIP ROLES

- Assistant Mentor for Living Earth Exchange Program (2025-2027)
- Coordinator for Our World Program International Cultural Youth Exchange, Nigeria (2023-2025)

SOFT SKILLS

- Excellent communication and interpersonal skills
- Strong work ethic and time management
- Adaptability and continuous learning
- Team player with leadership potential
- Analytical and critical thinker

HOBBIES & INTERESTS

Researching technology trends, swimming, listening to music, exercising, tutoring, and volunteering.
